# ABOUT US

## Introduction

Located in Vancouver’s historic Paueru-Gai (or Japantown), and just minutes from Downtown, the Vancouver Japanese Language School & Japanese Hall (VJLS-JH) is a non-profit organization with a rich history of connection with the local community.

With 14 unique spaces to choose from, our dedicated rentals team strives to deliver the perfect environment to bring your cultural, social, or corporate event to life. All of our facilities are first come first serve, and can be booked on an hourly, daily, and recurring schedule. Regular and Non-Profit hourly and daily rates are listed for all of our facilities, and we welcome inquiries for recurring opportunities.

The VJLS-JH recognizes its legacy as a National Historic Site and the only pre-Interment building operated by the Japanese Canadian community. All rental proceeds support our continued efforts to provide inclusive Japanese and Japanese Canadian programming and learning opportunities.
